Confirmed that contents of the channel are being preserved pending the litigation (including the allegedly infringing image).

On a related note, you mentioned in an email to me last Thursday that you believe there is another channel being posted by the same user that is still up. Is this the channel you're referring to: <https://www.youtube.com/@acerthornthetrueacerthorn3318??> And is the circular channel icon currently on that page the same as the one that you alleged in the complaint is an infringement?

Mr. Mollick,

Does either your client, or you, have an archived copy of ATTA's channel, with his infringing icon intact, even after he deleted it?

Just curious.

Sincerely,

David Stebbins
